Certificate No.: 6968-2015-CE-HOU-DNV  
 Place and date: Vimercate 29 September, 2015  
 Revision No.: 00

### Certificate history

Revision	Description	Issued date
Revision 00	Original Certification	29 September, 2015

### Products covered by this certificate

Product name	Seamless Steel Line Pipe
Steel types	Ferrite: ASTM/ASME (A/SA 53, A/SA 106, A/SA 333), API 5L, CSA Z245.1

**Limitations: No permanent joining or welding repair allowed**

**Initial inspection on the production site has been carried out by DNV GL Business Assurance USA, Inc., ref. Assessment Report dated 2015-07-23**

### Terms and conditions for the certificate

- in case of damages caused by defective products, Council Directive 85/374/EC, as amended, will apply;
- the system approval is valid only for the material types listed above. For other material types, an application for extension of the certificate must be sent to DNV GL Business Assurance USA, Inc. (Houston office);
- periodical audits and unexpected visits will be held, in order to verify that the manufacturer duly fulfils the obligations arising out of the approved quality system;
- the manufacturer shall fulfil the obligations arising out of the quality system as approved and uphold it so that it remains adequate and efficient;
- the manufacturer must give information of any intended adjustments of the Quality System to DNV GL Business Assurance USA, Inc. (Houston office), who will assess the changes and decide if the Statement remains valid;
- the manufacturer shall inform DNV GL Business Assurance USA, Inc. (Houston office) of the intended schedule of production for materials.

The following may render this statement invalid:

- changes in the quality system affecting production;
- periodical audits not held within the allowed time window.
